On 08/21/2020, CHS did a consensual monitoring of a lunch with Bryce Shelby. Zebbadious Hall also attended. The lunch happened at Famous Dave's restaurant at Quebec Street and 36th Avenue in Denver, Colorado. Both audio and video were taken of the meeting.

Bryce expressed his desire to attack the Colorado Attorney General and stated the AG was his main target. Hall expressed he did not want to participate with Shelby but gave ideas such as mimicking the DC sniper and poisoning the water supply in order to take the AG out. Hall did express a willingness to sell the CHS firearms.

Shelby wants to "do something" but did not know how to do it. CHS stated that CHS will introduce Shelby to a friend that can help him.

Shelby stated he has a friend that may be interested in helping and that this friend has a stick of dynamite.

On a previous date, CHS was given recording equipment to record telephone conversations with Shelby. CHS provided a recording of one conversation that took place earlier in the week.
