The Respondent has made several threats to assassinate Colorado Attorney General Phil Weiser. The Respondent was the subject of an FBI investigation into these threats and has posted on social media his desire to kill government employees. Specifically, The Respondent made plans with an undercover FBI Agent

to shoot AG Weiser in the head with a firearm after planning to obtain a "get away" vehicle and establish AG Weiser's behavior patterns. The Respondent stated he is going to observe when AG Weiser comes and goes from his place of employment and his residence to plan this attack. The Respondent stated he does not care if AG Weiser's wife, dog, or child(ren) have to die in the process. The Respondent said he will "pull the trigger" himself and does not mind getting "blood on his hands". The Respondent said he would like to eliminate other officials, including the Mayors of Denver (Michael Hancock) and Aurora (Mike Coffman) and the Chiefs of Police of Denver and Aurora. The Respondent drove-by AG Weiser's residence to plan his attack on more than one occasion. The Respondent desires to get away with AG Weiser's assassination so that he may live to find out if it will achieve his political goals and to assassinate other officials if it does not. The Respondent has been planning the assassination of AG Weiser since approximately July 2020.

There have been a pattern of acts or credible threats of violence by the respondent within the past year, including but not limited to acts or credible threats of violence by the respondent against self or others.

The Respondent has made threats to law enforcement on social media, stating "I'm doin more than steppin in, I'm shootin ANY officer I see who doesn't detain [sic] neutralize & get u in the back of the squad car withinin 5 mins..."
